

## **My Heart is Ready / I'm Gonna Walk**

My heart is ready and what am I gonna do?  
My heart is ready and what am I gonna do??  
My heart is ready and what am I gonna do  
Oh god! My heart is ready and what am I gonna do?

My feet are ready and what am I gonna do ...

My hands are ready and what am I gonna do ...

My voice is ready and what am I gonna do ...

My heart is ready and what am I gonna do ...

-----

I'm gonna walk (walk, walk) to the glory of the river  
Gonna walk (walk, walk) to the glory of the stars  
I'm gonna walk (walk, walk) to the glory of the river  
And I'm carrying the sorrows (old same sorrows) of the world

I'm gonna run (run, run) to the glory of the mountain  
Gonna run (run, run) to the glory of the sky  
I'm gonna run (run, run) to the glory of the mountain  
And I'm carrying the sorrows (old same sorrows) of the world

I'm gonna fly (fly, fly) to the glory of the wind  
Gonna fly (fly, fly) to the glory of the rain  
I'm gonna fly (fly, fly) to the glory of the wind  
And we are carrying the sorrows (old same sorrows) of the world
