

Roll 'er Down the Bay

Emma, Emma let me be

Roll 'er down the bay to Julianna

Oh, Miss Emma don't you cry

Roll 'er down the bay to Julianna

Heave away me bully boys

Blackbird sung unto to crow

Wish I had that girl in tow

Windward girls are hard to beat

Haulin' on your old mainsheet

Sweat that yard the mate did say

Haul boys till you get your pay

Haul boys when she takes the roll

Shake her, break her, blast your soul

Oh, the dawning of the day

One more pull and then belay
