

Since You Asked

What I'll give you since you've asked
Is all my time together
Take the rugged sunny days
The warm and rocky weather
Take the roads that I have walked along
Looking for tomorrow's time
Peace of mind

As my life spills into yours
Changing with the hours
Filling up the world with time
Turning time to flowers
I can show you all the songs
That I never sang
To one man before

We have seen a million stones lying by the water
You have climbed the hills with me to the mountain shelter
Taking off the days one by one
Setting them to breathe in the sun

Take the lilies and the lace
From the days of childhood
All the willow winding paths
Leading up and outward
This is what I give
This is what I ask you for
Nothing more
